

Great success for FISCHER AUTOMATION

06/13/2013 8:00

Texprocess strengthened its position as the leading international trade fair for textile processing of 10 - 13 June 2013 further. Among the 330 exhibitors from 38 countries also included our company with high-tech solutions such as the Roboternähanlage and labeling machines. More than 200 visitors came to our stand from the innovative potential of our team.
